# Reveal your candidate's talents through the pre-recorded video interview

Give your candidates the opportunity to express themselves beyond their resume. Make a finer pre-selection of your candidates and be sure not to miss the hidden gem by reviewing a larger number of candidates.

Any position in any sector of activity

French, English, Spanish, German

Questions and answers in video, audio and text

3 min max per answer

## OBJECTIVES

- Screening
- Recruitment
- Internal mobility
- Skills audit

## KEY FEATURES

- Your assessment tools and your interviews on the same interface
- Intelligent interviews combining video, audio and text
- Time saving and efficiency in candidates screening
- Reduce the costs of recruitment
- Improved candidate experience and enhance your employer brand

### An intuitive video solution, fully customisable and easy to use

1

The recruiter adds his questions on the platform and chooses the format (video, audio, text) as well as the response time.

2

Candidates connect to the interface via an invitation and answer the questions posed by the recruiter.

3

The recruiter is alerted when the interview is over and can view and listen to the answers. He can then compare the candidates profiles in the Talent Matcher.

4

The recruiter also has the opportunity to invite other evaluators to give their opinion of the candidates.
